MD MASUM AHMED
MERN STACK DEVELOPER

Career Objective

I am passionate and self-motivated web developer with experience in MERN stack development. Seeking an opportunity to apply my knowledge of front-end and back-end technologies to real-world projects. I am eager to contribute to innovative projects.

Project

● Shofy E-Commerce WebSite Clone   **View link**

Shofy is an online e-commerce platform that allows users to browse, search, and purchase a wide range of products. It provides an intuitive and user-friendly interface, making it easy for customers to navigate through various categories, view product details, and complete transactions.

● Blue-Berry E-commerce website   **View link**

Blue-Berry is a fully responsive e-commerce platform built with React 19 and Next.js 15. It features Sanity.io for efficient database management, Zustand for state management, and Clerk for secure authentication. Designed for seamless user experience, Blue-Berry ensures smooth navigation and scalability.

● PeopleNTech Bussiness Website Clone   **View link**

I built a responsive website for PeopleNTech, showcasing 70+ courses, 200+ mentors, and 10K+ students. Using HTML, CSS, and React.js, it features a clean design, easy navigation, and interactive elements.

Education

● Diploma In Computer Engineering (CST)

Dinajpur Polytechnic Institute.
Pas.Year:2024
Cgpa:3.75

TRAINING

● MERN Stack Development   **View Certificate**

PeopleNTech Institute of IT (Dhaka-Bangladesh)
From: July 5, 2024 **---** To: October 31, 2024
