MD MASUM AHMED
MERN STACK DEVELOPER

Career Objective

Passionate and skilled MERN stack developer with a strong foundation in MongoDB, Express.js, React, and Node.js. Seeking to leverage my expertise in full-stack development to contribute to innovative projects and drive success at a forward-thinking organization. Committed to delivering high-quality, scalable web applications and continuously enhancing my technical skills.

Project

● **Shofy E-Commerce WebSite Clone**   **View link**

Shofy is an online e-commerce platform that allows users to browse, search, and purchase a wide range of products. It provides an intuitive and user-friendly interface, making it easy for customers to navigate through various categories, view product details, and complete transactions.

● **Personal Portfolio**   **View link**

A responsive website showcasing my web development projects, built using HTML, CSS, TailwindCss JavaScript, and React. Features a blog section where I write about my development experiences and tutorials.

● **PeopleNTech Bussiness Website Clone**   **View link**

I built a responsive website for PeopleNTech, showcasing 70+ courses, 200+ mentors, and 10K+ students. Using HTML, CSS, and React.js, it features a clean design, easy navigation, and interactive elements.

Education

● **Diploma In Computer Engineering (CST)**
Dinajpur Polytechnic Institute
06/2020-present
Cgpa-3.81/4.00

TRAINING

● **MERN Stack Development**   **View Certificate**

PeopleNTech It Training Center (Dhaka-Bangladesh)
05/06/24-26/09/24
